---

Greetings Everyone

It is with joy that I announce that the Two week's the Church was opened I had once again the pleasure of celebrating Mass with people. What a relief to see the familiar faces of people.

Our church can only hold around 73 people with social distancing protocols, so since we are excused from our Sunday obligation requirements, I would like to encourage people who are able to consider a Weekend Mass. So far we had very limited number in church. We have not turned back anyone because the church reached the capacity.

Please be aware that we will be entering the Church from the parking lot after answering a few questions and exiting the Church from the main doors. Please follow the direction of ushers once inside.

Mass times.

Saturday 5:00 pm

Sunday 10:00 am

The Sacrament of Reconciliation will be by appointment only.  
(Confessions will be in the church)

To make all this possible, **WE NEED VOLUNTEERS!!!!**

Please commit yourself to a particular mass, and we need help ushering (directing people in and out), and help to disinfect the church after each service.

We need four (4) People to be Directors and four (4) People to help Disinfect.

**If we don't have the volunteers, we cannot celebrate the mass.**

Please contact Deanne in the office if you can help. Call the Parish office.

Protective equipment will be provided for our volunteers. We highly recommend you wear a mask.

I am so glad that the long drought of not seeing you is over and we can gather to celebrate our Faith, and break the bread of our Lord.

I sincerely thank all the volunteers who helped to open the church.

A big thank you to the Knights who have been maintaining the church grounds. It looks beautiful and I really appreciate all your hard work.

With a yearning heart, I hope to see you soon.

Fr. Mathew Pandanathu
